

CFPI Timing & Data, Inc.

Welcome to C.F.P.I. Timing & Data. We hope you enjoy this presentation about our company and our services.

www.cfpitiming.com

Overview, Why to choose us.

- Cleon Fowler and *CFPI* Timing have a long and successful history in timing track and cross country events. We have been involved in athletic event operation for over 19 years. We feel that we are the best in the business and offer the most economical timing option for your event budget. Our past and current events are our resume. Check out our listing of past events in this presentation.
- *CFPI* believes that coaches should coach athletes at meets. The stresses of running an event can diminish your ability to work with the athletes and get them to perform their best. Our company's goal is to make your meet a success and give you the opportunity to relax and simply coach your athletes to the best of their ability.

- We will provide our expertise along with the latest in timing technology to give your event the most accurate and elaborate timing performance to help ensure its success. We provide our full time timing expertise and support services to put them at your disposal. Our company is uniquely prepared for every challenge and need that will come up for any situation. It is our sincere wish to form a standard of excellence with you, your event and your school or organization.

Overview, Why to choose us.

- CFPI Timing has earned the reputation as a leader in the event timing industry capable of providing immediate and effective results to make your event a worry-free success. On top of this, we are intent on supplying you with the best customer service in the business. We are at your disposal 24 hours a day, 7 days a week, to answer any and all of your questions. We are available to work with you in the production of a first class event for your organization.

- Why trust your important event to people who are part-time companies. We are a full time, full service timing and data company that does events each and every week. Don't trust your event to a part-time timing companies. E-mail or call C.F.P.I. so that we can talk and plan how you want your event to be organized. Our expert staff will be able to assist you in anyway possible. We are the best in what we do and that is a plus for you. And remember, we are your answer to all your sports timing needs.*

Services we can provide for you.

CFPI is committed to meeting all of your timing, data, and logistical needs. The following is a brief list of the services that we offer to events on a regular basis.

- **Timing Service:** CFPI's main function is as a timer and data operator. We will time all running events with independent computer timing systems to provide accurate and incontestable results.

- **Online Data Entry:** We are able to provide meet set-up and host a web-site to handle the entry process for your meet.
- **Data Operations:** We provide meet setup extending to entry processing and comprehensive result distribution.

- **Web Publishing:** We can post the results to the internet. Our web site has thousands of hits from around the world. We post and maintain our own web site for results and meet information.
- **Scoreboard Presentation:** CFPI can provide its own scoreboards to allow coaches and spectators to view the time and results of the race or interface with an existing facility scoreboard.
- **Additional equipment available:** Wind gauges, false start-recall starting blocks, souvenir finish line photos, Portable large scoreboard display. Additional items are available upon request. Call for information on our additional items.
- **Additional Services offered:**
- **Network Television Interface:** We are able to work with network television so that you can present a televised event to a live TV audience. We can feed the network live running times, results, and photo finishes or to internal closed circuit system in the arena or stadium.

Equipment we use.

- *CFPI* Timing can provide all of the equipment to make your meet a success, from the standard timing equipment to running time display boards. What follows is a list of some of our equipment that we regularly use at events. Other items and equipment is available in the event that there are other services that you may require. We can and will provide equipment that is not necessarily listed here.
- **Finish Camera Equipment:** We use exclusively the **FINISHLYNX** timing system for this task. We can have multiple cameras at your event with independent systems to ensure an accurate and consistent results evaluation.
- **Transponder/ Chip Timing:** *CFPI* uses IPICO Transponders for cross country timing. One of the leaders in the chip industry.
- **Meet Pro by Direct Athletics or Hytek "Windows Meet Manager" Data Handling:** *CFPI* uses either meet management software for entry coordination and seeding of all of your meet's entries. Our onsite staff also organizes the start lists and results, with an emphasis on assuring that all of your media needs are met.
- **Display Boards:** *CFPI* can provide all the necessary digital display boards to feature the performances of the athletes in field and running events.
- **Netbook computers and/or Palm Pilots with FIELDLYNX:** Palm Pilots are provided to field event operators for efficient operation.
- **Remote Media results locations:** *CFPI* provides a remote computer located in the media results area for instant results availability and ability to print any result of the meet at any time. No need to have result runners and a delayed in results to the media.

What they are saying about CFPI

- **Victor Lopez, NACAC President- IAAF Council member, Former Coach at Rice University**
“Cleon Fowler knows and understands how to run events in Central America and the Caribbean. When we first automated our championships, I wanted someone who knew track and could put all of our countries at ease. CFPI provides us with the most consistent and efficient timing services for our highly competitive championships.”
- **Ben Shove, Associate Commissioner, Northeast Conference**
“CFPI is the best and most organized timing group that our conference has worked with. They allow a conference meet to run smoothly.”
- **Bruce Ludlow, Associate Commissioner, Southland Conference**
“CFPI Timing has been timing our championships for the past six years. We had used other groups and none of them had the professionalism and expertise that CFPI does. They also provide us with the most economical and efficient timing services in the business.”
- **Steven Keith, Director of Track & Field @ Vanderbilt Univ.**
“CFPI Timing has been timing our events for the last ten years and their expertise in operations and meet management. They give me and our coaches the time to coach our athletes at our home meets.”
- **Layne Anderson, Coach at the University of Iowa**
“CFPI has been doing our meets since I have been coaching at Iowa. They think of all aspect necessary to put on and operate a first class meet. That lets me focus on my athletes and not the meet operation.”
- **Ed Bowes, Meet Director of the Manhattan HS Cross Country meet**
“CFPI Timing has been timing our championships for the past four years. We had previously done the results by hand and it took over 2 weeks for partial results to get out. CFPI do has results of the full meet less than 15 minutes after each race. They also provide us with the most economical and efficient timing services in the business.”
