Course:

The course will be marked by the host and inspected by the coaches prior to the race. The men's race is 8,000 meters and the women's race is 5,000 meters.

Entries:

C.F.P.I. Timing will provide timing service for the event. Rosters and entries must be submitted via Direct Athletics, see Championship Handbook for additional information.

Event Personnel:

The host institution must provide an adequate number of qualified event personnel to operate a successful event.

Cross Country Championship

Medical/Administrative Shelters:

The host institution must provide separate three-sided shelters (tents or buildings) for a medical area with training supplies and an administrative area with power outlets to tabulate results and operate the meet.

Meet Requirements:

The host institution must provide all necessary equipment to ensure a quality event, including automatic and manual timing equipment, finish chutes, flags and cones, etc. The Conference office shall provide participant numbers.

Pre-Meet Coaches' Meeting:

A pre-championship meeting of the head coaches will be conducted by the Conference office on Friday evening, prior to the Championship preceding the banquet on the campus of the host. Entry forms will be turned in at this meeting and starting boxes will be randomly assigned to teams.

Rosters and Entries:

Only teams (not individuals) are eligible to enter the NEC Cross Country Championship. A team shall consist of a minimum of five (5) runners. Each team may enter between five and ten participants. Protocol for submitting rosters and entries shall follow that outlined in the NCAA Championship Handbook. Exact dates for deadlines shall be provided by the Conference office in advance of the meet.

On the day of the championship, a team may substitute one athlete up to 30 minutes prior to the start of the race. Notification must be made to both the Conference office representative and the person responsible for entering names into the computerized program.

Rules:

This meet shall be governed by the rules of the NCAA Track & Field/Cross Country Rule Book, except as specified in NEC policies. Particular attention will be given to the uniform section of the NCAA Rule Book. Each competitor must wear an official team uniform.

Scoring:

1. Only the first five runners from each team shall enter into the scoring.
2. First place shall score one point; second place, two points; third place, three points; etc. All runners who finish the course shall be ranked and tallied in this manner. Team scores shall be determined by totaling the points scored by the first five finishers from each team. The team with the lowest total number of points shall be declared the winner. First-place team ties will not be broken.
3. Although the sixth and seventh finishers from each team do not score points towards their respective team's total, their places, if better than any of the first five finishers from any opposing team, serve to increase the opposing teams' totals.
4. The eighth through tenth finishers from each team will not place.
5. Teams that start at least five runners and have fewer than five runners finish the race shall be listed alphabetically at the end of the team results as did not finish, DNF.

Weekly Release:

The weekly NEC cross country report will include a listing of the top seven performances for each institution, for both men and women, including the runner's name, time, race location and team score.

An Athlete of the Week and Rookie of the Week shall be selected as part of the weekly release.
